## Scravac

Product #60

A sturdy metal tool for safe scraping of lead-based paint, asbestos, and mold

▶ Can be attached to a HEPA vacuum for scraping hazardous materials or a shop vac for cleaner surface preparation of non-hazardous materials.

▶ Narrow profile makes it perfect for hard-to-reach places.

▶ Unique design ensures capture of small particles on other horizontal or vertical surfaces.

▶ Universal blade attachment system allows for easy replacement of scraping tip.

▶ Has adapter which fits a variety of vacuum hose sizes.

▶ Constructed to facilitate easy decontamination.

## Specifications
